The Seller of the Property is a lender who has acquired title to the Property either by foreclosure or through a deed given in lieu of foreclosure. Many obligations imposed upon sellers, particularly sellers of real property containing one-to-four dwelling units, may not be applicable to the sale of the Property. However, even though Seller is exempt from **some** obligations, Seller must still comply with many others. This Advisory is intended to inform Buyer and Seller of their rights and obligations independent of those established by the contract between them.

F. Carbon Monoxide Devices: The sale is not exempt from the State requirements that on or before July 1, 2011, for all existing single family dwelling units, and on or before January 1, 2013, for all other existing dwelling units, the owner must install a carbon monoxide device approved and listed by the State Fire Marshall in the dwelling unit if the dwelling unit has a fossil fuel burning heater or appliance, fireplace, or an attached garage.

Depending on an offender’s criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides.” (Neither Seller nor Brokers are required to check this website. If Buyer wants further information, Broker recommends that Buyer obtain information from this website during Buyer’s inspection contingency period. Brokers do not have expertise in this area.)

3. OTHER OBLIGATIONS APPLICABLE TO REO PROPERTIES:

A. Selection of Title and Escrow: California Civil Code section 1103.22 prohibits Seller from requiring, directly or indirectly, a Buyer to purchase title insurance or escrow services from a particular title insurer or escrow agent in connection with the sale of residential property improved with four or fewer dwellings. The Buyer may agree to use the title or escrow provider recommended by Seller if the Buyer has been informed of the right to make an independent selection of the applicable service. Federal law, 12 U.S.C. Section 2608, prohibits Seller from requiring, directly or indirectly, that the Buyer purchase title insurance from any particular title company as a condition of selling residential property improved with four or fewer dwellings if the purchase will be made with a federally-related mortgage loan. Seller and Buyer understand that Brokers do not require Buyer to purchase title or escrow services from any particular provider. Any communications from Seller that Broker may deliver to Buyer or Buyer’s agent concerning the selection of title or escrow services should not be construed as Broker’s endorsement or recommendation of, or request for Buyer to use, any particular title or escrow provider.

B. Local Law: Local law may impose obligations on the transfer of real property (such as the installation of low flow toilets or shower heads, emergency gas shut-off valves or installation of smoke detectors). Local law should be consulted to determine if sales of Lender-owned property are exempt from such requirements.

C. Amendments to Contract: Seller-prepared addenda, amendments, or counter-offers or a Seller-prepared contract, may conflict with, contradict or be inconsistent with terms in Buyer’s offer. Brokers cannot advise Buyer or Seller: **(i)** which specific terms in any offer may be affected; **(ii)** whether the terms in any such Seller-prepared documents are permissible under California Law; or **(iii)** in the event of a discrepancy between the Seller-prepared documents and any other Agreement between Buyer and Seller, which document or which terms may supersede the other. Buyer is advised to seek legal counsel to discuss the applicability and interpretation of any Seller-prepared documents prior to signing any such documents.

D. Rental Property: If the Property was occupied by a tenant at the time the lender acquired the Property and the tenant had a bona fide arm’s length rental agreement at a fair market rate, the tenant may be entitled to the balance of their lease term, or at least a 90-day notice for termination of a month-to-month tenancy. In addition, certain rent control jurisdictions have asserted that the tenant has rights under rent control after a foreclosure. Moreover, the tenant may be entitled to the return of their security deposit even if the security deposit was not given to the lender after the foreclosure sale or to the buyer of the REO Property.

4. BROKERS:

A. Inspection: The sale is not exempt from the Broker’s obligation to conduct a reasonably competent and diligent visual inspection of the accessible areas of the Property and disclose to Buyer material facts revealed by such an inspection in the sale of residential property containing one-to-four dwelling units. Brokers may do so on C.A.R. Form AVID.
